

**CALL FOR A RESEARCH FELLOWSHIP**  
**Fellowship Reference GIMM/BI/12-2024**

Gulbenkian Institute for Molecular Medicine (GIMM) opens a call for one research fellowship under the project *“Defining the role of Arp2/3 complex diversity at multiple scales of biology”* (ERC-2018-SyG – ArpComplexity – GA 810207) with the funding support from European Commission.

**Scientific Area(s)** Biology, Biomedical and related fields.

**Fellowship recipients / Admission requirements:** Any National, foreign and stateless candidate(s) that fulfill the necessary conditions to be enrolled in a PhD study cycle (in area(s) related to the work plan) can apply.

Applicants must hold the following requirements:

- MSc degree holder in Molecular Biology and Genetics;
- Super-resolution Microscopy;
- Molecular biology expertise (Immunoprecipitation; Cloning; qPCR);
- Advanced cell culture expertise (CRISPR Engineering; Cell sorting; cell immortalization; primary cultures).

**Work Plan and Objectives:**

- Characterization of arp 2/3 complex mechanisms during myofibers maturation;
- Study Arp 2/3 complex involvement in triad formation.

**Legislation and Applicable Regulation:** Estatuto do Bolseiro de Investigação (Lei n.º 40/2004, de 18 de Agosto, republished in attachment to Decreto-Lei n.º 202/2012, de 27 de Agosto, changed by **Decretos-Leis n.º 123/2019, 28 de Agosto e nº 65/2024, 1 de outubro**) and current Regulation of Fellowships of GIMM.

**Predicted start date, duration and renewal conditions:** The fellowship contract is predicted to start in January 2025, for a period of 6 (six) months on an exclusive basis, eventually renewable until the maximum stipulated in applicable regulations, not exceeding the eligibility period of the project (expected to end on 31/12/2025).

**Work place and Scientific orientation:** The research activities will be developed at Cell Architecture Lab of GIMM, under the supervision of Edgar Gomes.

**Non-discrimination and equal access policy:** GIMM undertakes to ensure compliance with the principles of non-discrimination and equality and to that extent, provides that no candidate can be privileged, benefited, harmed or deprived of any right or exempted from any duty due in particular ancestry, age, gender, sexual orientation, marital status, family status, economic status, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic disease, nationality, ethnic origin or race, place of origin, language, religion, political or ideological convictions and trade union membership.

**International environment and experience:** Diversity is a fundamental aspect of the essence of GIMM, where researchers and non-researchers of different nationalities, backgrounds and areas of study work together, promoting the exchange of experiences and interactions, contributing to the personal and professional development of each person and to the existence of an international, inclusive and stimulating environment.

**Research Fellows Support Centre:** The Research Fellows Support Centre works everyday from 09:00AM to 11:00AM at People & Culture Unit Office.

**Fellowship financial conditions:** The fellow will benefit from a monthly stipend in the amount of 1360€. The amount will be paid by wire transfer at the end of each month. The fellow will also benefit from a personal accident insurance to execute the proposed research activities as well as the right to Social Security through Voluntary Social Insurance regimen, if wanted, under the terms of Código dos Regimes Contributivos do Sistema Previdencial de Segurança Social, and the contributions costs will be supported by the research project.

**Application documents:** - Motivation Letter; - Detailed CV; - MSc Degree certificate - Contacts of 2 references; ***The non-compliance with these requirements determines the immediate rejection of the application.*** In case the applicant does not have yet the required degree certificate, a declaration of honor stating the conclusion of the necessary qualifications for the purposes of this process will be accepted and must be sent by the end date of the call.

**Jury evaluation and selection:** Edgar Gomes (FMUL/GIMM), Leonor Saúde (FMUL/GIMM) and Sérgio Almeida (FMUL/GIMM).

**Selection methods:** Applications will be evaluated in accordance with the following method:

- 1<sup>st</sup> Phase: Curricular evaluation: 60%
- 2<sup>nd</sup> Phase: Interview: 40%

The jury will select for interview candidates who have the minimum 50% in the first evaluation phase.

**Deadlines and application process:** The call will be open **from November 13<sup>rd</sup> until November 26<sup>th</sup> 2024.** Applications should be submitted to People & Culture Unit, through the email [people@gimm.pt](mailto:people@gimm.pt). ***The non-compliance with these requirements determines the immediate rejection of the application.***

**Notification of results:** Within 90 days after the termination of the applications submission deadline, both admitted and excluded candidates list and final classification list shall be communicated to all admitted candidates through email.

**Preliminary Hearing and Final Decision Deadline:** After notification, all candidates have 10 working days to respond. Panel's final decisions are pronounced within a period of 90 days, from application deadline.

**Fellowship contracting:** The Fellowship is granted through the signature of a [contract](#) between GIMM and the selected fellow and after the fellow send the following mandatory documents: copy of identification document (in case of non-European citizens is mandatory the work visa / valid resident permit), document proving the required academic degree and the document proving the enrollment in a PhD study cycle. For each Fellowship period an [Activity Report](#) must be prepared by the fellow as well as the [Report](#) by the supervisor.
