

CALL FOR A RESEARCH FELLOWSHIP
Fellowship Reference GIMM/BI/19-2026

Gulbenkian Institute for Molecular Medicine (GIMM) opens a call for one research, funded by its own resources.

Scientific Area(s): Biophysics/Evolutionary biology

Fellowship recipients / Admission requirements (*indicate mandatory and preferential requirements*): Any National, foreign and stateless candidate(s).

Applicants must hold the following requirements:

- BSc degree holder in Physics/Biophysics or related areas;
- Enrolled in a PhD program;
- Experience with Evolutionary Biology;
- Experience with Bioinformatics (namely data analysis and mathematical modelling);
- Experience in yeast genetics techniques.

Desirable Requirements:

- Good communication skills in English, spoken and written;
- Ability to work both independently and collaboratively.

The international experience of the candidates, although not a determining criterion for selection, will be valued.

Work Plan and Objectives:

- The selected candidate will generate aneuploidies of specific chromosomes in *S. cerevisiae* strains and use high-throughput methods to track their evolutionary fate across multiple generations to unveil the biophysical basis of the costs of aneuploidy.

Legislation and Applicable Regulation: Estatuto do Bolseiro de Investigação (Lei n.º 40/2004, de 18 de Agosto, republished in attachment to Decreto-Lei n.º 202/2012, de 27 de Agosto, changed by **Decretos-Leis n.º 123/2019, 28 de Agosto e nº 65/2024, 1 de outubro**) and current Regulation of Fellowships of GIMM.

Predicted start date, duration and renewal conditions:

The fellowship contract is predicted to start in September 2026, for a period of 6 (six) months on an exclusive basis, eventually renewable until the maximum stipulated in applicable regulations, not exceeding the eligibility period of the project

Work place and Scientific orientation: The research activities will be developed at the Genome Maintenance and Evolution of GIMM, under the supervision of Marco Fumasoni.

Non-discrimination and equal access policy: GIMM undertakes to ensure compliance with the principles of non-discrimination and equality and to that extent, provides that no candidate can be privileged, benefited, harmed or deprived of any right or exempted from any duty due in particular ancestry, age, gender, sexual orientation, marital status, family status, economic status, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic disease, nationality, ethnic origin or race, place of origin, language, religion, political or ideological convictions and trade union membership.

International environment and experience: Diversity is a fundamental aspect of the essence of GIMM, where researchers and non-researchers of different nationalities, backgrounds and areas of study work together, promoting the exchange of experiences and interactions, contributing to the personal and professional development of each person and to the existence of an international, inclusive and stimulating environment.

Research Fellows Support Centre: The Research Fellows Support Centre works everyday from 09:00AM to 11:00AM at People & Culture Unit Office.

Fellowship financial conditions: The fellow will benefit from a monthly stipend in the amount of **1.359,64€**. The amount will be paid by wire transfer at the end of each month. The fellow will also benefit from a personal accident insurance to execute the proposed research activities as well as the right to Social Security through Voluntary Social Insurance regimen, if wanted, under the terms of Código dos Regimes Contributivos do Sistema Previdencial de Segurança Social, and the contributions costs will be supported by the research project.

Application documents: - Motivation Letter; - Detailed CV; - BSc Certificate; ***The non-compliance with these requirements determines the immediate rejection of the application.***

In case the applicant does not have yet the required degree certificate, a declaration of honor stating the conclusion of the necessary qualifications for the purposes of this process will be accepted and must be sent by the end date of the call.

Jury evaluation and selection: Applications will be assessed by a jury composed of Marco Fumasoni (GIMM), Partha Chakraborty (GIMM), and Ana Quendera (GIMM).

Selection methods: CV (70%) and motivation letter (30%). Only candidates with an overall score of at least 90% will be considered for the position.
